Refuge is a National Wildlife Refuge located in southwestern North Carolina. It was established in 1966 to protect sandhill,
northern, and Florida sandhill crane colonies. The refuge is named after Dr. James A. Robinson, an early conservationist and
founder of Duke University and Duke University Medical Center. The main visitor center is located at White Oak Campground.

time format? I want to convert following format: 02-02-2011 1:21:44 AM into following format: 123411600000 A: This should
do the trick: var dt = "02-02-2011 1:21:44 AM"; var time1 = new Date(Date.parse(dt)); var time2 = time1.getTime(); A: In case
you are using momentjs: moment().format(); will output: 123411600000 Google Play Newsstand App Lets You Add News
Feeds From Your Social Networks Google's Play Newsstand app is a new application that they've been updating the last couple
of days. I've been testing it, and you've been reading about it in a lot of the blogs and Twitter. Basically, Google has said that
they're getting rid of magazines in order to make the magazines available for download over the web, but one of their primary
